

OCTOBER 22-25 2015 GNOSS FIELD SAFETY AWARENESS WEEKEND

Free Safety Seminar: Oct/22 at 7:00 pm sharp. FAA WINGS credits!

Hands-on Training Clinic: Oct 23-25. Pre-registration with payment required. Limited number of slots available.

14th annual Young Eagles day: Oct 24 from 10:00 am. Pre-registration required. Volunteer pilot please contact Ken Mercer (mercerv.k@comcast.net)

Flying Community Dinner: Oct 24 at 6:00 PM. Pre-registration with payment required. Food, fun, and camaraderie!

Join the Gness Field safety awareness weekend to become a safer and more proficient pilot. Unique opportunity to learn with Rich Stowell, Master CFI and world renown acrobatics instructor

Oct/22, 7-9 pm

Learn about stall/spin accident scenarios. Hear about the importance of awareness, avoidance and recovery. Discuss some of the myths and realities of the stall / spin.

October 23-25

The fun begins! Fly with Rich Stowell. Experience emergency maneuvers and aerobatics in a Decathlon, Pitts, or your airplane (approved maneuvers only).

Oct/24, 10-2 pm

14th annual Young Eagles day. EAA volunteer pilots will be giving free airplane rides to kids ages 8-18. To register email mercerv.k@comcast.net

Oct/24, 6-9 pm

Flying Community Dinner. Enjoy dinner in the company of fellow pilots and friends.
